

Privacy Policy of Learnik Kinder World

Collection and Processing of Personal Data

Adver2Play does not collect any type of personal data in the Learnik Kinder World application. When the user's name is requested, it is only for the purpose of later use in the app and is not stored on any server.

Integrity and Preservation of Personal Data

Adver2Play does not request or store any user data. Internet connection is not required to learn with Learnik Kinder World.

Access to Personal Data

We do not store any personal data of any of our users. If you need any information regarding this matter, we will be happy to respond to your request sent to the email address info@adver2play.com.

Children and Education

Adver2Play is aware of the need to establish additional precautions to preserve the privacy and security of minors using applications and to require parental consent if they do not meet the minimum age required by law (in Spain, 14 years). Therefore, as mentioned earlier, we do not store any personal data.

Location Services

Learnik Kinder World does not require location services; therefore, we do not use them.
